of REV. JOHN G. LANDRUM, and daughter of John and Mangaret Monzonery.

The immediate family of the deceased, bereaved by her loss to them, is her usband and six children, besides a large circle of relatives and friends. In chronicling the departed worth of Mrs. Landrum, we feel it to be our duty to say, she was eminent in that which constitutes the Christian, the wife, the mother and friend. She not only devoted herself to the common religious and domestic duties of wite and mother, but singularly as a minister's coffer sastaining with great fortitude and perseverance the cares devolving upon her in consequence of the frequent and necessary absence of her husband from home; and in this way became a co-laborer with him in the great work of preaching the Gospel. The shock which the whole community telt at the announcement of her demise, is the best evidence of the value they set upon her religious and social character. But, notwithstanding she has been eat off in the prime of a useful life, she is now dedioated to services and employments which are more holy, elevated, and sublime.

She bore her last illness, which continued eight

days, with great composure and resignation. Being conscious of the near approach of her dissolution, she mingled, as much as she could, comfort, with instruction to her family, in the last words of her expiring breath. > M'LANE'S VERMIFUGE. PLEMING BROS., SOLE PROPRIETORS.

No remedy ever invented has been so sucesstul as the great worm medicine of Dr. Ma-Lane, prepared by Fleming Bros. of Pittsburgh. All who have used it have been equally estonished and delighted at its wonderful energy and efficacy. To publish all the testimonials in its favor would fill volumes; we must therefore content ourselves with a brief abstract of a few of them.

Japhet C. Allen, of Amboy, gave a dose to a child 6 years old, and it brought away 83 worms.

He soon after gave another dose to the same child, which brought away 50 more, making 133 worms

in about 12 hours.

Jonathen Houghman, of West Union, Park Conny, Ia., writes that he is unable to supply the demand, as the people in his neighborhood say, after a trial of the others, that none is equal to Dr. M'Lane's Vermituge.

ests. D. & J. W. Colton, of Winchester, Ind., happened last spring to get some of this Vermifuge. After selling a few bottles, the demand became so great for it that their stock was soon ex-hausted. They state that it has produced the best effect wherever used, and is very popular among
